

Bricks for Sale on the Piazza

As you may have heard at the March meeting, Rick had asked me to head up the brick sales for this year. As most of you know we have a piazza in front of the bocce courts made of bricks. Many bricks have engravings of family names and messages about our heritage.

If any member old or new would like to have a brick engraved please contact me or see me at the May meeting and fill out the form below. Cost is \$50 per brick. The bricks should be laid before this year's family picnic.

Thank you,
Michael Venesky
